MT 210 MODEL 36V

A great alternative to conventional sit-down tow tractors

The multi-trailer hauling MT-210 is a highly maneuverable and operator-friendly stand-up tugger that's ideal for frequent step-in-and-out applications – thanks to a rear central driving position with easy step-on/step-off from both sides. It's also powerful, reliable and comfortable: standard features include a leaf springs rear suspension system, AC powertrain and an impressive 16,000-lb towing capacity. The 56-inch turning radius is the tightest in its category. The new generation MT-210 now also boasts Motrec's signature look. EE rating available.

Tow Tractors

Other Models : 48V

 PASSENGERS
1

 LOAD CAPACITY
300 lbs

 TOWING CAPACITY
16,000 lbs

 SPEED MPH
6 mph

 TURNING RADIUS
56"

FEATURES

- Robust long-life industrial batteries
- Heavy-duty braking power
- Battery-saving efficient DC/DC converter
- Versatile, heavy-duty hitches
- Energy-saving regenerative braking
